

LETTER OF RECOMMENDATION

Mr. Łukasz Kozłowski was engaged by De Smet Engineers & Contractors SA as CSA Supervisor for the erection of a new production facility during the period June 2021 until February 2022. In this role he represented the EPCm contractor and was responsible for managing and coordinating the CSA contractor.

His role in the project included:

- Responsible for the management of civil discipline - foundation, main and secondary steel structures, platforms, painting, pipe bridges, hoist beams, roof insulation, wall cladding, finishing works.
- Supporting the implementation of and adherence to client's HSE (Health, Safety & Environment) standards, policies and plans including subcontractor HSE supervision in the day-to-day business.
- Introducing and implementing a quality plan based on experience and client's standards & requirements.
- Close cooperation with statutory inspector to complete ITP's (inspection test plan).
- Responsible for the preparation of final hand over of CSA scope to the client. Identifying punch items and following up the resolution of punch items.
- Responsible for reviewing contractor's as-built documentation.
- Responsible for the validation of contractor's progress reports and construction schedule.

Mr. Łukasz Kozłowski has shown a high level of professionalism in his cooperation with contractors and client representatives. His strong technical knowledge and experience in CSA construction was highly appreciated.

I would like to express my thanks for his services and wish him success for the future.

Jens Berger
